

Jérémie , Warehousing Manager

“I have been in the company **for 13 years** and today I am employed as Warehousing Manager. I am in charge of several departments employing **60 people**. I started off as Stock Supervisor and then **rapidly progressed** thanks to the challenges I had to deal with on various projects.

Today, my years of experience at Les Grands Chais de France have been recognised by a **VAE** (validation of professional experience). Furthermore, the company has allowed me to extend my knowledge in the field of logistics by letting me **train for a diploma** as Logistics Manager in part-time education.

I am absolutely convinced that my career path has not come to an end at Les Grands Chais de France and that **fresh opportunities** will open up to me in time because the company is **constantly forging ahead.**”
